

## **Ted Mala, M.D., M.P.H.**

Director of Tribal Relations  
Southcentral Foundation

Director of Traditional Healing  
Alaska Native Medical Center

### ***Research Interests***

I am committed to the integration of Traditional Healing with that of allopathic medicine. In addition I am involved in research in Public Health and Rural Health. I am involved in research in the circumpolar countries Russia (Siberia), Sweden, Denmark, Iceland, Greenland, Norway, Finland, Canada, United States (Alaska) and was the first Secretary General of the International Union of Circumpolar Health. I work with many tribes and on reservations throughout the United States and Canada.
